Sketch #1

"Nicotine Patch
with an App"

1.

User applies a
nicotine patch
that tracks their
level of nicotine in
their body

2a

The app tracks
how many days
the user doesn't
have nicotine in
their system

3a

If the app detects
nicotine in the user's
body, then the streak
is reset.

3b

When a streak
is big enough,
the user gets
rewarded!

Scott Lesley
Sketch #2

"Motivational App"

1.

This app shows
a series of numbers
that help to motivate
the user not to smoke.

Ex. 1 (Days w/o Smoking)

2.

Ex. 2 (Money Saved)

3.

Ex. 3 (How many years of
your life you've regained)

Scott Lesley Sketch #3

"Motivational App
that tracks your
overall health"

This app helps to motivate smokers
to quit their habit by showing how their health
has improved over time from not smoking.

Ex. Heart Health

Ex. Lung Health
